

List of GPF Members

Subpanel „Oceans and Marginal Seas“	Subpanel “Polar Regions”
Prof. Johanna Baehr University of Hamburg Climate Modelling	Dr. Xavier Crosta University of Bordeaux Paleoceanography
Prof. Jan Behrmann – <i>Co-Chair</i> GEOMAR Kiel Marine Geodynamics	Ass. Prof. Marleen De Troch Ghent University Marine Biodiversity and Zoology
Dr. Kai Horst George Senckenberg am Meer, Wilhelmshaven Marine Biodiversity and Zoology	Prof. Anja Engel GEOMAR Kiel Biological Oceanography
Dr. Michele Giani National Institute of Oceanography and Experimental Geophysics, Sgonico Marine Biogeochemistry	Prof. Ilker Fer University of Bergen Physical Oceanography
Prof. Tilmann Harder University of Bremen / AWI Marine Chemistry	Dr. Hauke Flores Alfred Wegener Institute, Bremerhaven Microbiology and Ecology
Dr. Hans van Haren Royal Netherlands Institute for Sea Research, Texel Physical Oceanography	Prof. Christian Hübscher – <i>Co-Chair</i> University of Hamburg Geologically Applied Geophysics
Prof. Jürgen Koepke University of Hannover Petrology and Geochemistry	Dr. Robert Larter British Antarctic Survey Glaciology and Geophysics
Ass. Prof. Jillian Petersen University of Vienna Microbial Ecology	Prof. Martin Melles University of Cologne Quaternary Geology
Dr. Ralf Schiebel Max Planck Institute for Chemistry, Mainz Micropaleontology	Ass. Prof. Thorsten Nagel Aarhus University Petrology and Geodynamics
Ass. Prof. Karin Sigloch University of Oxford Seismology and Geodynamics	Dr. Katharina Pahnke-May University of Oldenburg Chemical Oceanography and Paleoceanography
Prof. Rüdiger Stein Alfred Wegener Institute, Bremerhaven Paleoceanography and Sedimentology	Prof. Markus Rex Alfred Wegener Institute, Potsdam Atmospheric Physics
Prof. Oliver Zielinski University of Oldenburg Marine Sensor Systems	Dr. Gunnar Spreen University of Bremen Sea Ice and Remote Sensing
Prof. Helge Arz Leibniz Institute for Baltic Sea Research, Warnemünde Marine Geology	
Dr. Dieter Franke Federal Institute for Geosciences and Natural Resources, Hannover Marine Geophysics	
Prof. Ronnie Glud University of Southern Denmark, Odense Microbiology and Biogeochemistry	
Prof. Rolf Gradinger University of Tromsø Arctic and Marine Biology	
Prof. Heiko Pälike Marum, University of Bremen Paleoceanography	
Dr. Karina von Schuckmann Mercator Ocean, Ramonville Saint-Agne Climate Dynamics and Oceanography
